

## 2024 GENERAL ASSEMBLY: CONTINUING THE JOURNEY

April 30 - May 2, 2024 | The Royal Sonesta in St. Louis, MO

### STUDENT SCHOLARSHIP OPPORTUNITY

With over 140 member organizations represented, the U.S. Roundtable for Sustainable Beef General Assembly Meeting is a common space to bring together a community of individuals, businesses and non-governmental organizations with a common interest in U.S. beef sustainability. It is a unique educational and networking opportunity, being the only beef-centric sustainability event in the U.S. that addresses issues across the entire supply chain. The 2024 General Assembly Meeting is set for April 30 - May 2, 2024, at The Royal Sonesta Chase Park Plaza in St. Louis, MO.

With this year's U.S. Roundtable for Sustainable Beef General Assembly theme, "Continuing the Journey," it is important to involve the leaders of the future in the work that is happening today across the beef value chain. This special scholarship opportunity will help to offset the costs of a college/university student to attend the 2024 USRSB General Assembly Meeting.

By attending the USRSB General Assembly Meeting, students will be given to opportunity to increase their understanding of the complexity of beef sustainability issues and hear spotlights of the work that the USRSB and its member organizations are doing to measure, track and demonstrate progress toward the USRSB High-Priority Indicator Goals and Sector Targets.
